**Akkorde wie notiert: + 2 Capo**  
(Variante höher: D / C / G / Em)

1.    **A**                    **G**                    **D**  
If I were a carpenter  
                                 **A**  
and you were my lady  
                                 **G**                    **D**  
Would you marry me anyway  
                                 **A**  
would you have my baby  
                                 **G**                    **D**  
If a tinker were my trade  
                                 **A**  
would you still love me  
                                 **G**                    **D**  
Carrying the pots I made  
                                 **A**  
following behind me

## CH                    CHORUS :

**G**                                    **A**  
Save my love through loneliness  
**Hm**                                    **A**  
save my love for sorrow  
   **G**                    **D**  
I' ve given you my ownliness  
   **A**  
Come and give me your tomorrow

2.    If I worked my hands in wood  
      would you still love me  
      Answer me, babe, "Yes I would,  
      I'd put you above me"  
      If I were a miller  
      at a mill wheel grinding  
      Would you miss your colored blouse,  
      your soft shoes shining
